b has the following values:

1. 6

2. 7

3. 8

4. 9

This example that shows, how you can go through the whole file:

a has the following values:

1. 2

2. 3

3. 4

b has the following values:

1. 6

2. 7

3. 8

4. 9

c has the following values:

1. 11

2. 12

3. 13

4. 14

d has the following values:

1. 16

2. 17

3. 18

4. 19

e has the following values:

1. 21

2. 22

3. 23

4. 24

5. 25
